

## Rimini Key Features

- ❖ 'Easy up' side post parasol, with 'one move system' assisted by a gas spring
  
- ❖ Aluminium mast and frame
  
- ❖ Stainless steel fixings throughout
  
- ❖ Large sizes: 3.5m to 4m square and 3m x 4m rectangular
  
- ❖ Rotating feature - 360°
  
- ❖ The oval mast extrusion measures 70mm x 50mm powder coated in an attractive carbon grey
  
- ❖ The mast may be positioned adjacent to a wall
  
- ❖ The canopy retracts to the side, thus leaving the previously shaded area completely clear
  
- ❖ Ground anchor made of galvanised steel
  
- ❖ European solution-dyed acrylics are used for the fabric
