

CLASSIC TILT

Tilting Timber Parasol

A traditionally crafted timber parasol combining adjustable shade, premium natural materials and fully replaceable componentry.

1.5–5 METRES

Extensive canopy range

22–35° TILT

Size-dependent adjustment

ASH OR TEAK

Premium timber choice

SCALE & SHADE CONTROL

- Sizes from 1.5m to 5m
- A robust tilting feature, 22 to 35 degrees (depending upon canopy size)
- Made from a choice of Ash or Teak
- Membranes are water-repellent and mould resistant.

CRAFTSMANSHIP & MATERIALS

- Equipped with an air vent for protection against gusts of wind.
- Premium materials are employed to ensure a long life, including hand turned hubs, crafted from bonded ash or solid teak.
- The structure uses stainless steel, solid brass, a nautical pulley and leather.
- Every component is replaceable.

FABRIC & OWNERSHIP

- European solution-dyed acrylic fabrics are employed for the membranes, with a choice of around 40 colours and striped designs
- Optional matching protection cover bag
- Various base options, including wheeled bases
