

MAESTRO

Wall-Mounted Parasol

A lightweight wall-mounted parasol providing adaptable shade for balconies, cafés and long, restricted terraces.

2.7m HEXAGONAL
Generous wall-mounted shade

180° ROTATION
Flexible positioning

ONLY 4kg
Easy handling

SPACE-SAVING DESIGN

- Wall-mounted design is ideal for cafés, balconies and terraces where floor space is limited
- 2.7-metre hexagonal canopy provides generous shade without requiring a conventional mast or base
- Flexible telescopic arm suits long, narrow and restricted outdoor areas

MOVEMENT & REMOVAL

- Arm rotates through 180 degrees, allowing the shade position to be adjusted throughout the day
- Canopy tilts by up to 10 degrees for improved protection from lower-angle sunlight
- Complete parasol assembly can be removed from its wall mounting within seconds

FABRIC & COLOUR

- Lightweight 4kg construction makes handling, installation and removal straightforward
- Olefin polyester canopy provides UPF 40+ protection, blocking approximately 97% of UV rays. Colourfast (ISO 105 B04)
- Available in ten fabric colours: White Sand, Buttercup, Terracotta, Paris Red, Lead Grey, Taupe, Carbon Grey, Night Blue, Black Widow and Olive Green
