DESIGN & APPLICATION

- Deluxe beach parasols crafted in Europe by skilled artisan manufacturers
- Exclusive collection combines distinctive design with refined outdoor presentation
- Ideal for beaches, poolside areas and other prestigious leisure environments
- Available with either square or round canopy formats

CANOPY CHOICE & OPERATION

- Choice of six individual canopy styles across the collection
- Canopy designs include elegant Greek and Oriental-inspired treatments
- Optional tilting feature allows the shade position to be adjusted as required
- Straightforward operation supports convenient day-to-day use

STRUCTURE & FABRIC

- Highly mobile design allows the parasol to be repositioned around the outdoor area
- Pole is manufactured from anodised aluminium for a clean, durable finish
- European solution-dyed acrylic fabrics are used for the canopy membranes
- Premium fabrics provide excellent protection against ultraviolet exposure
