

## Rimini Cantilever Parasol

01

### RIMINI CANTILEVER PARASOL DATA

Large cantilever parasol with an “easy open” system.

Key features – at a glance...

High strength cantilever parasol

Power assisted opening

Canopy retracts to the mast

SINGLE – DUO - QUADRUPLE canopy versions

This robust parasol is easily operated, using a gas spring, which allows you to open and close the canopy with little effort. When the canopy closes, it retracts to the side, thus leaving the previously shaded area completely clear. The canopy can rotate through 360 degrees (single version only). The sturdy oval mast is made from extruded aluminium, with a choice of three finishes. Stainless steel fittings are used throughout.

Premium European solution-dyed acrylic fabrics are used for the membranes, with excellent UV protection.

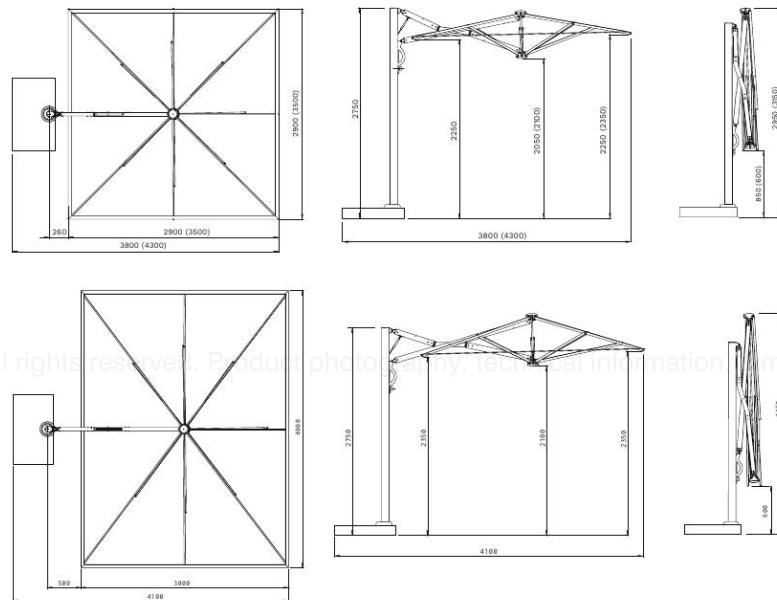

POWER-ASSISTED | RETRACTABLE | MODULAR

# Single Canopy Configurations

02

RIMINI - 3,5x3,5m - 3x4m

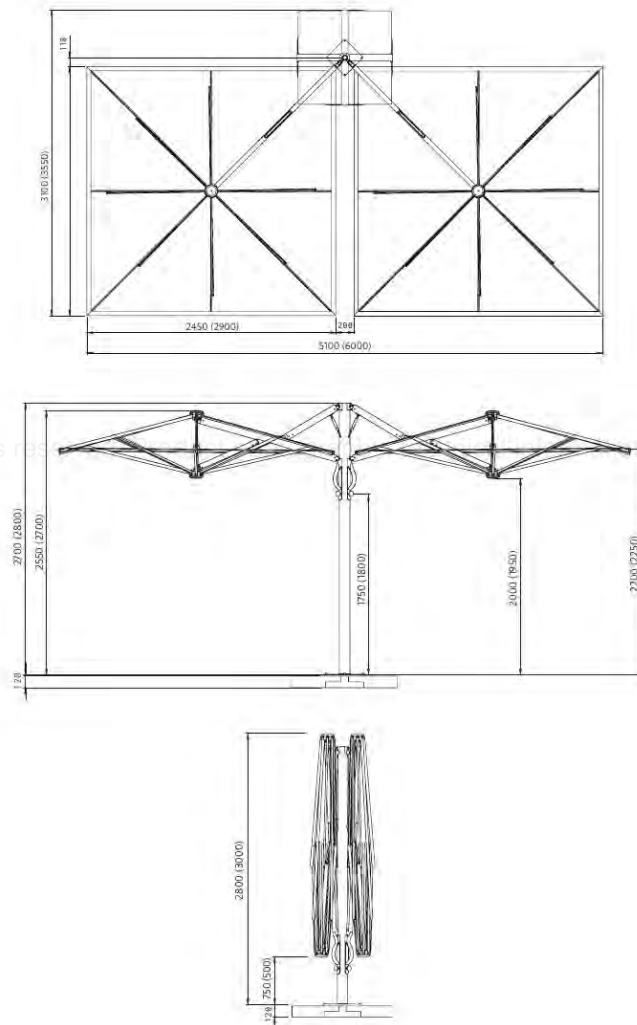

CHARACTERISTICS

|         |                     | KG | M <sup>3</sup> |        |   |       |

## Installation & Base Options

06

### OPTIONAL CROSS METAL BASES

B1DS

B1BS

#### B1DS - B1BS

- Optional metal base for side arm parasols.

|      |                | KG    |
|------|----------------|-------|
| B1DS | 1070x710x85 mm | 15 Kg |
| B1BS |                |       |

### COVER LIDS

BCCS

BCWS

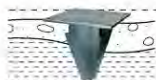

#### BCCS - BCWS

- Zinc and epoxy coated steel carter. Available colors Dark-Starwhite. Compatible with base B1DS-B1BS-B1IS.

|      |                 | KG    |
|------|-----------------|-------|
| BCCS | 1100x720x200 mm | 18 Kg |
| BCWS |                 |       |

### GROUND FIXING

#### BTBS

- In ground anchor, zinc plated steel.

|      |            | KG    |
|------|------------|-------|
| BTBS | 300x300 mm | 10 kg |

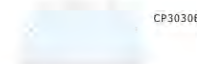

#### BTAS

- In ground anchor, Stainless steel.

|      |         | H      | KG   |
|------|---------|--------|------|
| BTAS | Ø 160 m | 350 mm | 5 kg |

CP3030DS

CP3030BS

#### CP3030DS - CP3030BS

- Small metal plate for ground fixing. Starwhite and Anthracite color. 30x30 cm.

|          |            | KG   | €     |
|----------|------------|------|-------|
| CP3030DS | 300x300 mm | 7 Kg | € 160 |
| CP3030BS | 300x300 mm | 7 Kg | € 160 |

CP6565DS

CP6565BS

#### CP6565DS - CP6565BS

- Metal plate for ground fixing. Starwhite and Anthracite color. 65x65 cm.

|          |            | KG    | €     |
|----------|------------|-------|-------|
| CP6565DS | 650x650 mm | 30 kg | € 395 |
| CP6565BS | 650x650 mm | 30 kg | € 395 |
