

SORRENTO

Commercial Parasol

A heavy-duty commercial parasol with broad size, shape and finish choices for golf clubs and demanding hospitality terraces.

UP TO 5 METRES
Broad canopy range

DOUBLE STRUTS
Enhanced stability

THREE VENT STYLES
Single, double or multi

COMMERCIAL CONSTRUCTION

- Heavy-duty commercial parasol designed for golf clubs, hospitality terraces and other demanding outdoor settings
- Strong aluminium mast and frame provide durable, corrosion-resistant construction
- Double-strut supporting system delivers enhanced stability and performance in windy conditions
- Available in square, rectangular and octagonal canopy shapes

CANOPY CHOICE

- Extensive range of sizes, from compact 2 × 3-metre models to 5-metre octagonal canopies
- Choice of single-air-vent, double-air-vent or distinctive multi-air-vent canopy designs
- Multi-air-vent option creates a particularly refined and visually impressive appearance
- Canopy may be operated using either a crank handle or traditional rope-and-pulley system

FINISH & INSTALLATION

- Choice of eight powder-coated mast and frame finishes
- Premium European solution-dyed acrylic fabric provides excellent UV protection
- Exceptionally broad fabric colour selection allows precise coordination with existing architecture or branding
- Available with an in-ground anchor or substantial concrete base, plus an optional protective cover
